Selectmen's minutes

Present: Nancy Colson, Linda Post

Present: Gordon Page, Deanna Carafelli, Kathryn Dermarderosian and Lewis Edwards

5:00 PM Meeting came to order

Gordon Page (about 511 Ash Point Dr) wanted to thank the selectmen and Scott Bickford (CEO) for all their help this last year to get the property cleaned up.

Lewis Edwards was present for an apology for the minutes that were posted from March 18, 2013. Nancy Colson said that she wanted to clarify something said at the last meeting of the Board of Selectmen regarding the pending litigation over Coopers Beach Road. "First, it was me, not Dick Carver, who told the other selectmen at that meeting that I had heard from another person that the Edwards had asked that the trial in this case be moved to Bangor to allow them to get a "fairer hearing." I had not heard that from either Mr. or Mrs. Edwards and trust that I did not give that impression. I was only repeating what I had heard from another citizen. And second, I have checked with the Town Attorney, and he has confirmed that no one in this case has asked the Court to move the trial to Bangor or anywhere else. I hope that clarifies the matter. I apologize if any other impression was given."

Mr. Lewis Edwards accepted the apology.

Nancy made a motion to accept the warrant and payroll, Linda Post seconded it. All in Favor.

Nancy Colson made a motion to accept the April 1st, 2013 minutes with the words will be held in the second paragraph removed. April 9th, 2013 minutes with the word wharf changed to Float and they word buy changed to by in the 5th paragraph and the word Last removed from the 7th paragraph. Linda Post seconded it. All in Favor.

The Warrant for the Special Town meeting on May 6, 2013 was approved and signed.

The Conservation Commission did not want the Town to pay the fee for the workshop, so they withdrew their request.

The people that were going to build the building at the stump dump aren't going to do it. Nancy Colson said to call Richard Carafelli.

Nancy Colson said the Selectmen have been asked to have a full board of directors meeting with the fire department. She set it up for April 22, 2013 at 6:15 pm and have it at the Town of Owls Head meeting room.

The Selectmen signed the purchase and sale agreement on the property on Ash Point Drive that is being purchased by Ernie Dugan.

Meeting adjourned at 5:40 PM.

Respectfully Submitted,
